Each year the OLA permits up to a maximum of six commercial inserts into the Delegate Bag by commercial entities. Each delegate receives a Bag with their official conference program and their badge holder. Research suggests that by limiting the number of inserts to six the probability of them being read and absorbed goes up by a substantial amount. OLA will also be accepting one pen and one pad inserts. These have been specifically requested by delegates.

If your firm is interested in inserting something into the Bag please complete and return the form below. It is on a first-come, first-served basis.

Inserts must be delivered no later than January 24, 2020, to:
