

DIRECT TO DELEGATE COMMUNICATION

OLA Associate Members can request the contact information for delegates who have opted in to receive communication from exhibitors. Use the opportunity to build awareness about your participation at Super Conference.

The opt-in rate is uneven from year to year, but the number of contacts available is typically about 1,000. The cost is \$130 per thousand pro-rated – approximately \$130. It is a one-time use, mail or email.

Number of names in 2018: 875
Price: \$113.75 plus HST

The list will be available by January 12 once the Registration Company has cleaned it up and removed those who have not opted in to have their information shared. The Excel file is emailed with an invoice. The invoices are payable by credit card before the list is used. Due to tight timelines the list cannot be segmented by OLA. It is an all or nothing opportunity.

Acknowledge you understand that it will be paid by credit card in advance of the use.

Delegates on the list have opted in for communication and the list is CASL compliant

Delegate lists will be available after January 9

COMMUNICATION DESCRIPTION

Please write a short discription of the type of information you are sending to delegates (Party invitation, special offer, guest promotion).

By Email
