

The OLA Welcomes You to the Super Conference

The OLA Super Conference is the place you come to when you want to find inspiration, motivation, leading-edge speakers.

This is where connections are sparks and where relationships are built.

Super Conference 2020 will embolden us to explore our dreams, learn from the dreams of others, and think of the ways we can put our thoughts, ideas, and dreams into action – actions that will shape library communities today, tomorrow, and into the future.

Dreams are everywhere. Libraries are for everyone. Let's dream here!
